

# EXTRUDED

---

## WALKWAY SYSTEM

by Mason Corporation

*Since 1948*

*With over 60 years experience, Mason Corporation is confident that its new, bigger, better, stronger extruded walkway cover material will be the product of choice. It is the latest addition to the Mason family of commercial and residential products.*

*Not only have your design options increased, you now have the benefit of greater spans and a longer canopy life. Make the extruded canopy your product of choice.*
